Table C

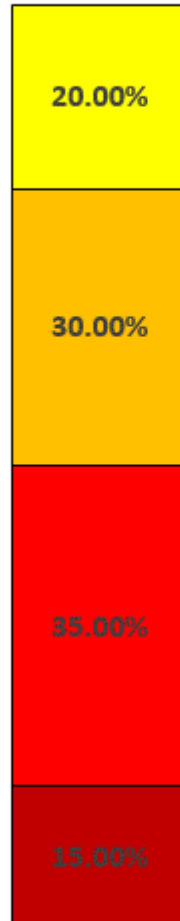

**Summary of Rebates  
in the Last Two Years**

**Almost all  
recent rebates  
were in the  
highest  
payment tier**

**Only 3 of 378  
rebates  
received a  
rebate in the  
lower two tiers**

**Projected range of rebates  
after tiers are modified**

**Only the  
most  
efficient  
machines  
receive the  
highest  
rebate of  
\$150**

**Approx. 65%  
of rebates  
would be for  
\$100 or \$50**

**Least  
efficient  
machines  
would not  
be eligible  
for a rebate**
