Volunteers Help the District Conserve Water

If you are interested in serving your community and have an interest in our precious water resources, consider participating as a member of the Water Conservation Commission.

The Commission members provide valuable feedback and guidance on important water conservation issues to the District Board of Directors. The Commission meets at 5:30 PM on the first Thursday night of each month at the District's offices at 11 Reservation Road in Marina.

A public member vacancy exists at this time on the Commission. To learn more about these opportunities please ask our friendly staff. Please call 883-5928 or 883-5910 for information.
