Board of Directors
Marina Coast Water District
11 Reservation Road
Marina, CA 93933

Dear Directors:

Re: Public Records Request - Monterey Superior Court, Case number 18CV000765
Communication on Non-Agendized Item of Board Agenda

The Bayview Mobile Home Park Community, et al filed a lawsuit against Marina Coast Water District, et al in Monterey County Superior Court in 2018 regarding District's water charges.

In 2019 The Court invalidated the 2018 Water Rates Study; thus, also invalidated the 2018-2023 Water Rates. However, Marina Coast Water District continues to charge all ratepayers the invalidated water rates.

Finally, the Court rendered its decisions on this case, case number 18CV000765, on June 9, 2022 and mailed its decisions to Marina Coast Water District on June 10, 2022. I understand that President Jan Shrinker and Vice President Herbert Cortez discussed this matter on June 29, 2022.

Therefore, I request a copy of the Court decision on this case under the California Public Records Act since the Court decision is a public document. Please email or send me a copy of the Court's decision on this referenced case (18CV000765).

I also would like to submit the following comments under the Communications from the Floor on non-agendized item of the Board agenda.

This Board frequently claims that it wants to be transparent with all ratepayers and transparency was one of the Core Values of Marina Coast Water District.

Therefore, the Board can demonstrate its transparency core value by posting the Court rulings on this case on the District's website.

Sincerely,

Peter Le
