Operation & Maintenance
Superintendent
Marina Coast Water District
2840 4th Avenue
Marina, California 93933

Dear Jim,

As you well know we have successful concluded our East Campus Metering Project. The success of the project would not have been possible without the support of you and your staff. Tony Kelsey provided the meters in a timely manner and Dale North was always available to provide his innate knowledge of the existing systems.

Thank You, it has been an extremely rewarding experience due to you and your people.

Sincerely Yours,

James W Roberts
