Subject: Request for Water Support Big Sur Mud Run, 23 March 2013

For Brian Lee

Brian, per our conversation we are asking for a waiver of deposit and hookup/removal for the water meter next to the CSUMB Field House. Our normal usage is 20-24,000 gallons. The Mud Run is a joint effort between the Marathon(Non-profit), Presidio of Monterey and CSUMB.

Profits go to University Athletics, The Marathon's Just Run Children's Program, and the Army's Porter Youth Center.

Thanks,

LtCol Wally Kastner USMC(Ret)
