Full Biography for Kathleen J. "Kathy" Tiegs

Candidate for
Director; Cucamonga Valley Water
District

This information is provided by the candidate

I was elected to the Cucamonga Valley Water District Board of Directors in November 2005 and currently serve as the Vice-President of the Board. I also serve on the District's Personnel, Legislative and Public Affairs, and Water Resource Development Committees. Professionally, I am retired with over 30 years of work experience in the field of water resource management.

In addition to my active involvement in special districts, I also serve on the Association of California Water Agencies (ACWA), Region 9 Board of Directors. I currently serve on the ACWA Local Government Committee and participate in ACWA's Legislative Outreach Program ensuring that our voice is heard in Sacramento when there are issues impacting our region as well as state-wide water issues. I am dedicated, committed, and passionate about transparency, accountability, and efficiency. I pledge to make every drop of my experience count and continue to do my best to ensure clean, abundant, and affordable drinking water for our community.

Political Philosophy for Kathleen J. "Kathy" Tiegs

Candidate for
Director; Cucamonga Valley Water
District

This information is provided by the candidate

I was elected to the Cucamonga Valley Water District Board of Directors in November 2005 and currently serve as the Vice-President of the Board.

I understand and I have first-hand knowledge of the mission and value special districts have in California. I truly believe that the special district form of government provides one of the most effective, accessible, and accountable forms of delivery of local services.

I am dedicated, committed, and passionate about transparency, accountability, and efficiency. I pledge to make every drop of my experience count and continue to do my best to ensure clean, abundant, and affordable drinking water for our community.

construction plan review, water supply forecasting and legislative and policy analysis. He serves as President of the San Gabriel Valley Public Affairs Network and Vice-Chair of the San Gabriel Valley Legislative Coalition of Chambers.

Director Cetina earned his Bachelor of Science degree in Civil Engineering with an emphasis on the environment from the California State Polytechnic University, Pomona. Director Cetina and his wife reside in Alta Loma with their six children, where he is active with his church and youth soccer league.

Randall James Reed - Director

Director Reed was elected to the Board of Directors in November 2003. He currently serves on the Engineering, Finance and Water Resources Committees and has been an active member of the California Water Environment Association where he has served as an officer.

Director Reed has worked in the wastewater field for over 25 years and currently holds a Grade 1 Freshwater Treatment Certification and a Grade 4 Instrumentation Technician Certification. He is currently employed with the Inland Empire Utilities Agency and has a Bachelor of Arts degree in Information Management Systems from California State University, San Bernardino. Director Reed has lived in the region for over 40 years.

Kathleen J. Tiegs - Director

Director Tiegs was elected to the Board of Directors in November 2005. She currently serves on the Human Resources & Risk Management and Legislative & Public Affairs Committees and is a Director on the Fontana Union Water Company. Director Tiegs represents the District on the Association of California Water Agencies (ACWA), Region 9 Board of Directors and on the Board of Directors for the ACWA Joint Powers Insurance Authority. She is actively involved in special district advocacy and serves on the Board of Directors for the California Special Districts Association as well as the local chapter of the Association of San Bernardino County Special Districts, where she serves

as President.

Director Tiegs has been a resident of Rancho Cucamonga for over 50 years. She is currently retired and has a distinguished career in water resource management working for a local wholesale water agency for over 30 years where she was actively involved in the Water Education Water Awareness Committee. Director Tiegs attended San Diego State University.

Martin E. Zvirbulis- General Manager/Chief Executive Officer

Mr. Zvirbulis was appointed General Manager/CEO of the Cucamonga Valley Water District (CVWD) in January 2011. Prior to his appointment as General Manager/CEO, Mr. Zvirbulis served as Deputy General Manager. He has been with the District since 1999. As the General Manager/CEO, he is responsible for directing the activities of the District to fulfill its mission of delivering a high quality and reliable water supply and wastewater service in a cost-effective manner. Mr. Zvirbulis reports directly to the Board of Directors and provides leadership and management of CVWD's public policies, strategic initiatives, and district operations.

Mr. Zvirbulis serves as the President of the Fontana Union Water Company, a mutual water company that provides CVWD with additional water rights, and as the Chair of the Chino Basin Watermaster Appropriative Pool which manages local groundwater supplies. He has extensive experience in civil and water resources engineering. Prior to his work with CVWD, Mr. Zvirbulis worked as a consulting engineer and chief engineer for an investor-owned public water utility where he managed the engineering department, including design and construction of their capital improvement program and development services. Mr. Zvirbulis is a Registered Professional Civil Engineer in the State of California and received his Bachelor of Science in Civil Engineering, from California State University, Long Beach.
