Mayor Ralph Rubio  
440 Harcourt Avenue  
Seaside, CA 93955

Dear Chairman Rubio,

The Marina Coast Water District is in receipt of your letter dated February 14, 2014. We also look forward to exploring a mutually acceptable approach to providing the best sewer service arrangement for the Ord Community.

Because this issue is of such importance the MCWD Board has approved an ad-hoc committee of two Board members to work with the Seaside County Sanitation District. Our ad-hoc committee currently includes President Tom Moore and Director Peter Le.

We understand the difficulty in having two SCSD Board Members attend meetings without violating the Brown Act. We are hoping that you would be agreeable to represent SCSD and meet with our ad-hoc committee, along with General Manager Brian Lee and Executive Director John Dunn.

Please let us know if this is an acceptable approach as an alternative to the format of our first meeting. If a meeting with the MCWD full ad-hoc committee is problematic, we would agree to have the Chair and President meet along with the General Manager and Executive Director.

Sincerely,

Dr. Tom Moore  
President
