---

Brian and Roger,

I would like to obtain the following items for the BLM Building agenda item for the Nov 3 Board meeting:

1. Copies of submitted bids.
2. Copy of architect or engineering estimates for the building construction.
3. GSA Amendments 1 and 2.
4. Board approved budget for this project.
5. District approved procedures for bidding and awarding construction contracts.
6. Latest project schedule.
7. Latest approved loan documents from Rabobank.
8. Copies of approved plans and specs in CD or DVD format.
9. List of people attending prebid meeting.
10. List of plan holders.
11. Questions from bidders if any.

The above items were either not included in the agenda packet or not discussed in the staff report.

It's helpful if I can receive either all or several of the above items before the Board meeting. You can email pdf files of the above items.

Let me know if you have any questions.

Peter
