

New, Higher Toilet Rebates

Higher rebates are available when retrofitting to Maximum Performance Tested (MaP) Premium-rated toilets and the account has been completely retrofitted to HET or UHET toilets!

Rebate Amounts

WaterSense HET's (1.28 gpf or less):

Rebate is equal to the net purchase price, up to \$50.

A higher rebate, up to \$75, is provided for each new toilet when **all the toilets at the account are now HET's or UHET's**, or when it's the only HET at the account.

WaterSense UHET's (1.1 gpf or less):

Rebate is equal to the net purchase price, up to \$100.

A higher rebate, up to \$200, is provided for each new toilet when the new toilet(s) is **MaP Premium-Rated** and **all the toilets at the account are now HET's or UHET's**, or it's the only MaP Premium UHET at the account.

Water-Free Urinals:

Rebate is equal to the net purchase price, up to \$200.

A higher rebate, up to \$300, is provided for each new urinal when **all the urinals at the account are now water-free**, or when it's the only water-

free urinal at the account.
