

## Herb Gardening Workshop Tomorrow

The **Herb Gardening: Beyond Basil** workshop will teach you how to plant and manage a successful herb garden. Ounce for ounce, herbs and spices have more antioxidants than any other food group.

Come join us for a taste and learn about:

- Building healthy soil for herbs
- Designing with herbs in the landscape
- Creating container gardens with herbs
- Alternative uses for herbs

**Tuesday, June 14, 2022 at 6 pm via ZOOM**

The class is free, but **registration is required**. Click the button below to register.

**REGISTER NOW**

This event is sponsored by the Water Awareness Committee of Monterey County, Inc. (WAC) and hosted by California American Water and Monterey Peninsula Water Management District. As a member of WAC, Marina Coast Water District customers are able to attend this workshop free of charge.
