# SAVE WATER AND MONEY

WITH HELP FROM OUR WATER CONSERVATION SPECIALIST

At Marina Coast Water District our Water Conservation Specialist, Paul, helps customers **reduce water use and save money**. For nearly 20 years, Paul has attended many Marina community workshops and festivals to share information about the District's water efficiency programs - including rebates and incentives. Learn more about our free conservation services below:

- Landscape incentives
- Retrofit rebates
- Watering guides
- Indoor/outdoor tips and principles
- Conservation educational webinars
- Property Water Conservation Certification

## ***KEEP FATS, OILS, AND GREASE OUT OF DRAINS***

As you enjoy tasty celebrations this summer, remember that fats, oils, and grease (FOG) harden on pipes. This can cause clogs and overflows which are harmful to the environment and public health. Help keep your sewer system clear by keeping food and grease out of your drains and disposal.

Remember to:

- Trash cooled cooking oil and grease
- Use green curbside cart for food scraps without a bag

# ***FOUR CONVENIENT WAYS TO PAY YOUR BILL***

At Marina Coast Water District our customer service department works hard to make our services user-friendly and to answer your questions. For your convenience, we offer multiple ways to pay your water bill:

- Pay Online thru a secure portal
- Pay By Phone with a credit card
- Pay In Person at our district office
- Pay Automatically with electronic bill payment

We are happy to help and here to assist.

For questions, call us at (831) 384-6131 or visit the link below.

# ***DRIP IRRIGATION FUNDAMENTALS WEBINAR***

**Join us for a free LIVE Zoom Webinar**

**Wed, May 31, 7:00 – 8:00 PM**

Poor irrigation practices are the number one reason plants fail. Learn how to design a yard using the principles of a watershed-wise landscape including:

- Understanding Soil Moisture Balance
- Installing a drip system properly
- Avoiding problems with a drip system
- Developing successful maintenance practices

***The class is free but advance registration is required.***
